Moon's pretty  
big this morning.

A cartoon illustration of two men sitting at a small round table outdoors. The man on the left has a beard and is wearing an orange shirt. The man on the right is wearing a blue shirt and is gesturing with his hands while speaking. A speech bubble from the man in blue says "I HATE THIS". In the upper right corner, a large, close-up, purple-toned face of a person is visible, looking down. The background is a light blue sky with a few clouds.

I HATE THIS

Are we really  
supposed to  
just live our  
*normal lives*  
knowing the  
moon is about  
to crash into  
earth??
